Eric,

Jim and I were talking about a backup OSC for you this morning. We have two possible people that may be able to assist. We will be talking with them and their supervisors.

Good Morning:

How are you both? I wanted to check on the status of an alternate OSC for NFB. I am making draft schedules for September through December and it would be helpful if I had someone who could relieve me at certain times. Plus this site is very complex. I would need some overlap with this person.

Thanks

Regards,

Eric
